Domain/ Sub-Domain –

- IMS

Core Competency –

- Operational Excellence
- Oracle Technology
- MongoDB Technology
- Oracle Goldegate
- YugabyteDB for cloud native application.
- AWS Cloud.
- DevOps through CI/CD
- AI Tools (including ChatGPT)
- Social media content writer

Industry Certifications –

- Oracle Certified Professional.
- Databricks Certified Data Engineer Associate.
- YugabyteDB DBA Fundamentals Exam
- AWS Certified Solutions Architect - Associate
- AWS Certified Cloud Practitioner.
- AWS Partner: Generative AI Essentials.
- Building AI Apps with MongoDB on AWS.
- Building GenAI Applications with MongoDB.
- Deploying and Evaluating GenAI Apps with MongoDB.
- Relational to Document Model – MongoDB Skill.
- Schema Patterns and Antipatterns – MongoDB Skill.

Achievements –

- I completed few Trainings from MongoDB, Inc, and corresponding certificates are available on my LinkedIn profile.
- I have successfully completed a workshop on AI and ChatGPT tools at Be10x, and the corresponding certificate is available on my LinkedIn profile.

Education –

- MCA from MNNIT Allahabad 1993.

Profile Summary

With over 20 years of experience in IT services, I specialize in supporting and maintaining production environments across diverse technologies. I've provided critical database and application support to prominent global organizations, including **Mastercard, SITA, British Airways, Ofcom, Adecco Group, Abdul Latif Jameel Co. Ltd., Rogers Communication Inc., and Bear Stearns Companies Inc**. My expertise encompasses Oracle, SQL server, MySQL, MongoDB, PostgreSQL, Redis, Oracle GoldenGate, AI tools, social media content writer, AWS and Azure cloud platforms, OS patching and CI/CD using Chef and Bitbucket. I'm also proficient in Python, Java, and web application development.

Portfolio & Resources
